

SCMS SCHOOL OF ENGINEERING & TECHNOLOGY

Accredited by NAAC, Affiliated to APJ Abdul Kalam Technological University, Kerala and Approved by AICTE, Govt. of India
An ISO 9001:2015 Certified Institution

CAMPUS: VIDYA NAGAR, KARUKUTTY, ERNAKULAM-683576 PHONE: 0484-2882900, 2450330

E-mail: sset@scmsgroup.org • Website: www.scmsgroup.org/sset

31st August, 2021

I have known Mr. Srinath Kamath from the pre final year of his graduate engineering studies, having been his teacher for the course heat and mass transfer. I have had many instances of close interactions with him since then and has observed his capabilities so keenly that I feel confident to comment and recommend him to your esteemed institution. He has consistently performed well and stands within the top 5 in the group of 60 students.

Mr. Srinath would be an excellent addition to your institution. He is a role model for his behaviour and professional attitude for all students. His eagerness to learn new things and share knowledge with fellow students which is evident from his professional track as a software trainer and developer is highly appreciable. Leadership and management skills that he had showcased during technical events, especially at Idea fest which was held as part of CMA Office Bearers Installation Ceremony is highly commendable. His team came out successful with second position at state level.

I understand that Mr. Srinath still upholds the spirit of keeping himself updated technologically by attending various workshops and technical programs to pursue further research. His social commitment and leadership quality is highlighted in all the projects undertaken by him for his graduation and afterwards. I would like to recommend him as an engineer and an innovator who focuses on technical solutions for real societal needs. He had displayed compassion towards the society at many occasions while being in the campus by helping and uplifting fellow students in their academics as well as other technical and social activities. Srinath is a student who will work hard towards the fulfilment of any responsibility he undertakes.

I would like to recommend Mr. Srinath Kamath as an intelligent and hardworking student for your most favourable consideration. It would be a great pleasure for me to see him continuing higher education at your institution. If there is any question regarding the reference, please feel free to contact me at any time.

Dr. Vidya Chandran
Associate Professor
Department of Mechanical Engineering
SCMS School of Engineering and Technology, Karukutty
